### House Clearance

Did you know that Gozo SPCA will carry out House Clearances?

If someone leaves the Island permanently, there is bound to be a lot of household items which will not be packed.

We have volunteers who will clear your house as you leave. Useful items will be sold on, making money for the animals, and rubbish will be disposed of in an ethical way.

There is no charge for this service but of course donations are always welcome.

For help with writing your UK Will in Malta please contact Mark Lamb on 21318008 or through [www.malta-wills.com](http://www.malta-wills.com)

(Partial Sponsor of this Legacy Information Pack)

## Some Information on Bequests

If after reading through this pack you decide to make a bequest to SPCA, there are several options:

### **For Maltese Nationals and Foreign Residents with Assets in the Maltese Islands:**

1. Make your will with a Notary including details of the bequest to Gozo SPCA. This could cost as little as LM20.
2. If you already have a Maltese Will, you have to make a new one adding the bequest to Gozo SPCA. Most Notaries will charge a smaller amount for this.

### **For British Foreign Residents who already have a UK will:**

Add a codicil to your existing Will with the bequest to Gozo SPCA. This could cost as little as £10.

Other Foreign Residents will need to seek advice from their country of domicile.

There is a Gozo SPCA address page in this pack which will give your Notary or Will Writer the information they will need.

*These notes are for guidance only. We suggest that you seek legal advice when making your bequest.*

### When Tomorrow Comes

Have you got a dog or cat  
Or any kind of pet  
Are there plans for future care  
Will your pet's needs be met?

Have you got a good neighbour  
Or even better friend  
Who would look after animals  
If you're not there to tend

Let someone know your wishes  
And give some money too  
So dogs and cats and birdies  
Live well because of you.

## GOZO SPCA

If you are reading this you may be a member of Gozo SPCA and will therefore know all about the work of the Society.

You know about the terrified, abandoned animals that are rescued, cared for and then re-homed. You are probably aware of the dogs and cats which are too difficult to re-home but

spend the rest of their lives, loved, protected and nurtured by the many volunteers and staff member who work tirelessly for these animals.

These volunteers and many others spend a great deal of time raising money to enable this work to continue.

But Gozo SPCA is also an Organisation with Vision. It is working towards a purpose built Centre.

This new animal haven, whilst alleviating many of the difficulties of the present premises, will present new monetary challenges.

The present methods of fund raising will simply fail to provide the cash needed to see this dream come true.

So, like most Charitable Organisations, SPCA is launching an appeal to members and all animal lovers to think to the future and leave a legacy to Gozo SPCA.

It would cost very little to make a new Maltese Will with a local Notary. New UK Wills or Codicils to existing UK Wills can be made here in the Maltese Islands.

Your Legacy will help to ensure that Animals on Gozo are loved and protected.

(We would like to acknowledge Dr Michael Refalo, and Mr Mark Lamb for their help and advice in the preparation of these packs.)
